Welcome to Island Bay Tennis and Squash Club

2020/21 Tennis Season

We are proud to say we have been serving Tennis Players in Island Bay for 106 years. We are a busy and friendly Tennis Club with strong membership numbers at both Junior and Senior Levels. We are now one of the largest Tennis Clubs in the Region!

COACHING

Our Head Tennis Coach is Dave Knight. He is an experienced coach who runs private lessons, group lessons, tennis fitness/practice Active sessions and an Academy Performance Squad. David has recently been appointed as a National Development Coach for the Central Region and has several other coaching accolades. He is supported by a number of assistant coaches at both Junior and Senior levels. Coaching is available only for club members. The only exception is for Junior players (under 8 years) wishing to give Tennis a go. In this case we allow the Junior to pay the coaching fee only for their first Term of Tennis. Junior coaching runs after school Monday-Friday and Senior Coaching is available by appointment.

ARE YOU A BEGINNER PLAYER?

We offer coaching on Monday evenings for Senior Members who are new to Tennis and to those you are coming back to the game having not played for a while. The two active sessions we run are:

Rusty Racquets Active: Players should feel confident to move around the court and to try to rally.

Competitive Active: Players should be able to rally confidently and move around a court trying to rally. This is also for players who do or would like to play interclub.

CLUB SOCIAL ACTIVITIES

The club has an active calendar of social events including quiz nights, movie nights, fun tournaments, Handle club, Club Christmas Party, and club walks. The club's bar is available for use by members and is open during tournaments, some weekend evenings, and for squash club nights and interclub.

INTERCLUB

The club has a number of interclub teams entered in both the junior and senior competitions. Senior includes:

Women's interclub - Saturday morning

Men's interclub - Saturday morning

Women's Midweek Interclub - Monday (summer) and Tuesday, Wednesday or Friday (winter)

Mixed Doubles interclub - Saturday afternoon (summer) Sunday afternoon (winter)

CLUB DAYS AND SOCIAL SLAMS

There are a number of regular events scheduled so that members can turn up and play games with other members. These events are a great opportunity to meet other members. These events are free of charge for members (except for Red Ball Hot Shots on Friday afternoons) and vary between organized tournaments (Social Slams on Sunday afternoons and Thursday Night Business House) and Club Days/Nights. Club Day for Juniors is Friday afternoon from 3:30pm and for Seniors Sunday afternoons from 3-5pm.

COMMUNICATIONS

The club keeps members up to date through a club newsletter, emails, website, and a facebook page. If you want to receive notices about coaching cancellations etc by text, send **follow ibtsc** to **8987**. You don't need to be signed up to Twitter to do this.

COURT BOOKINGS

The club has an online booking system called 'Hello Club' for the courts and we strongly encourage our members to use it. Bookings always take precedence over non-bookings, so if you do not book and players arrive who have booked your court, you will be required to vacate it.

KEY TAGS

All members 14 years of age or older may hold a key tag that will provide access to the courts and clubrooms. The cost is \$10. If you require a key tag, or have any problems with your key tag, please contact Henry Sim.

VISITORS

Visitors may play with a club member. The cost is \$5 per player, per time. It is the responsibility of the member to ensure that the fee is paid. There is a visitor's fees box upstairs in the clubroom next to the ladies bathrooms - envelopes are kept beside the downstairs noticeboard. Visitors fees can also be paid by internet banking - please make your deposit to Westpac Trust Island Bay Tennis and Squash Account No: 03 0578 0903265 00 putting your name (as member) and the word 'visitor' as reference.

MAINTAINING OUR COURTS

Please help us care for our courts by making sure that the only things to touch the courts are tennis balls and court shoes! This means: no skateboards, bikes or scooters on the courts, no dogs, and non-marking court shoes only on the courts.
